

Dove Block Project

Chantal Alcantara

Concept Statement

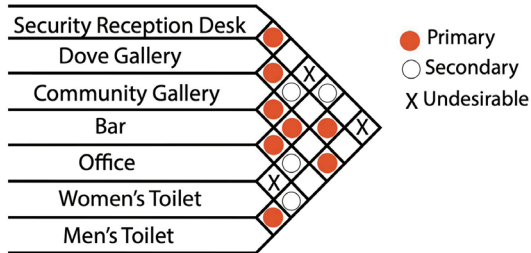

Arthur Dove refuted on historical changes by translating nature into an abstract and distinctly modern vocabulary of color, shape and line. This conceptual design will allow unity and movement throughout the space for staff, and visitors by honoring Arthur Dove legacy and Geneva history.

Project Goals

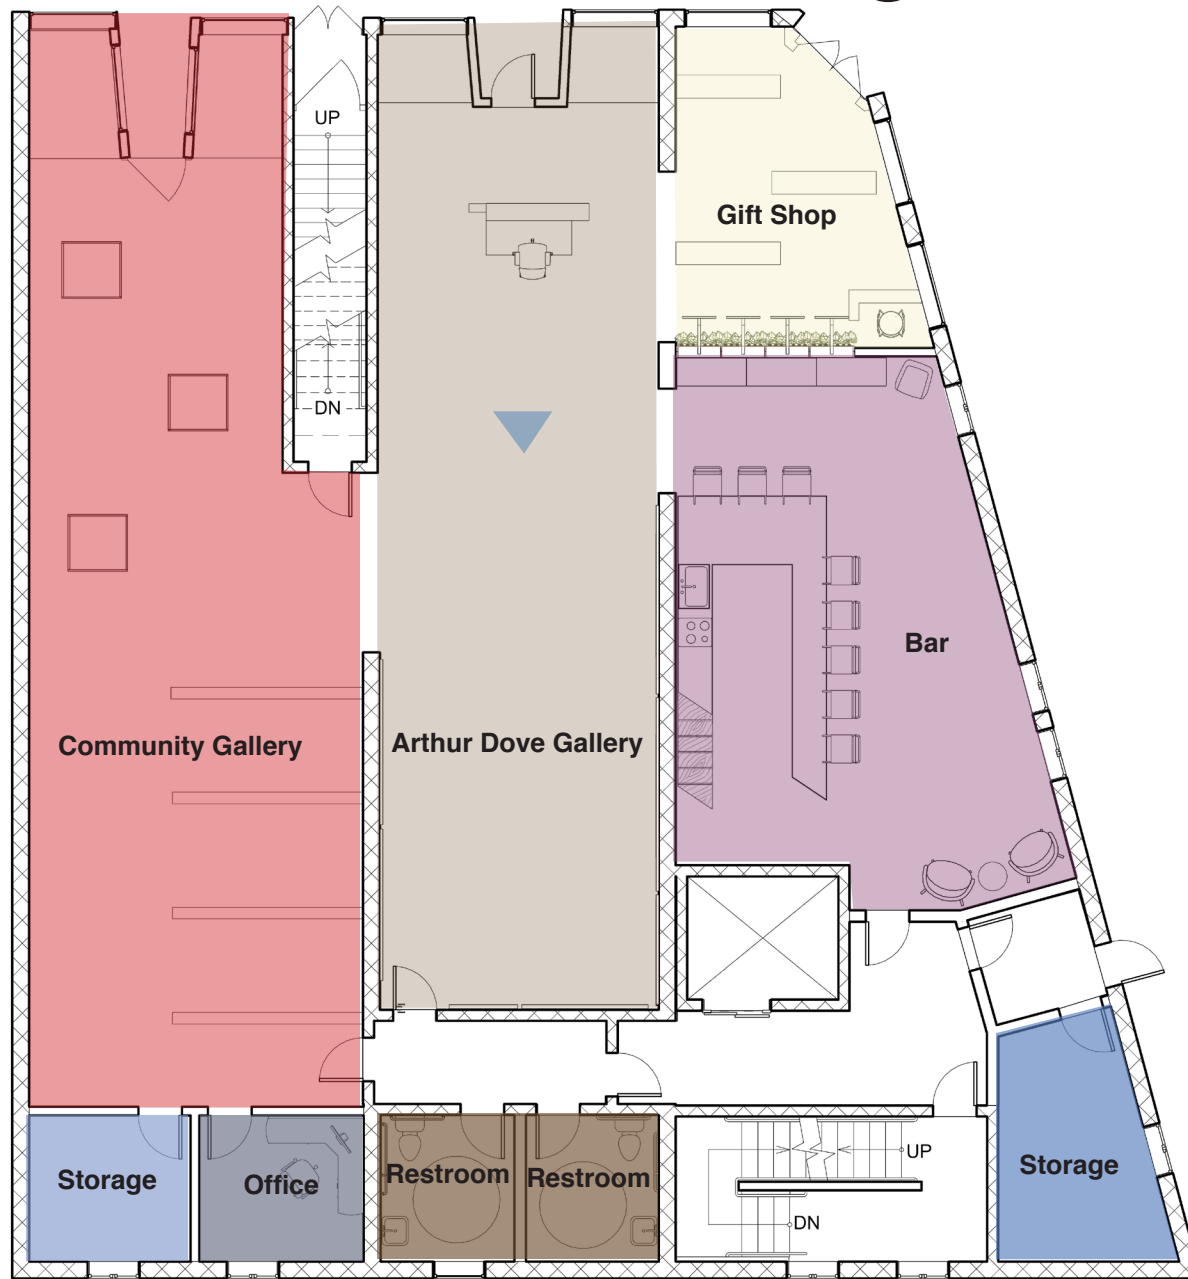

- Feature the legacy of Arthur Dove through interactive technology
- Keep the vintage look and pieces that this building offers
- Advertise the location on the outside location
- Provide locals three different experiences which will allow them to know more about Geneva and Arthur Dove

Designer Goals

- Vintage, modern look
- Historic view through the spaces
- Motivational interactive spaces of communication and learning
- Connectivity between spaces
- Strategies to provide and income for this location

Key Light Fixture

Material Selection

An abstract painting featuring a central, large, orange and red circular shape, possibly representing a sun or moon, set against a background of layered, wavy bands of blue, grey, and white. The overall style is expressive and textured, with visible brushstrokes and a sense of depth. The text "Thanks Questions or Comments ?" is overlaid in the center of the image.

Thanks
