

*The Dove Block
Spring 2020
Natalie 'Ducky' Migliore*

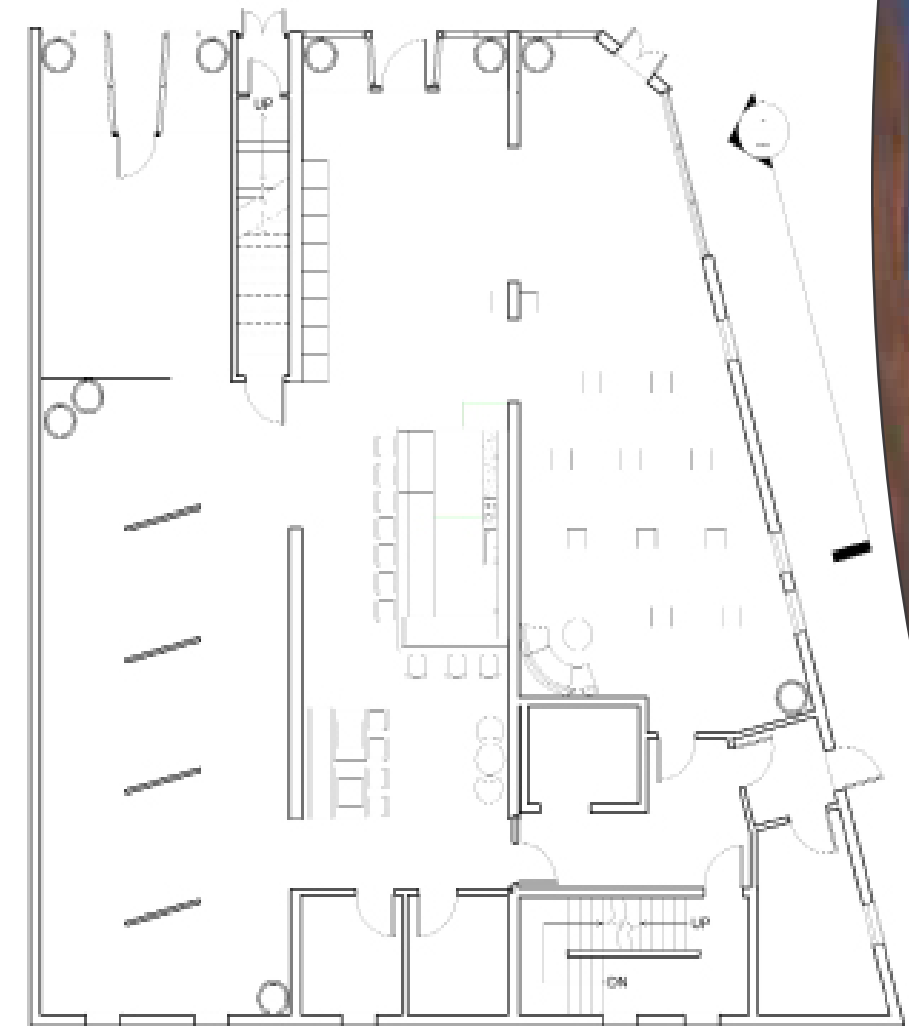

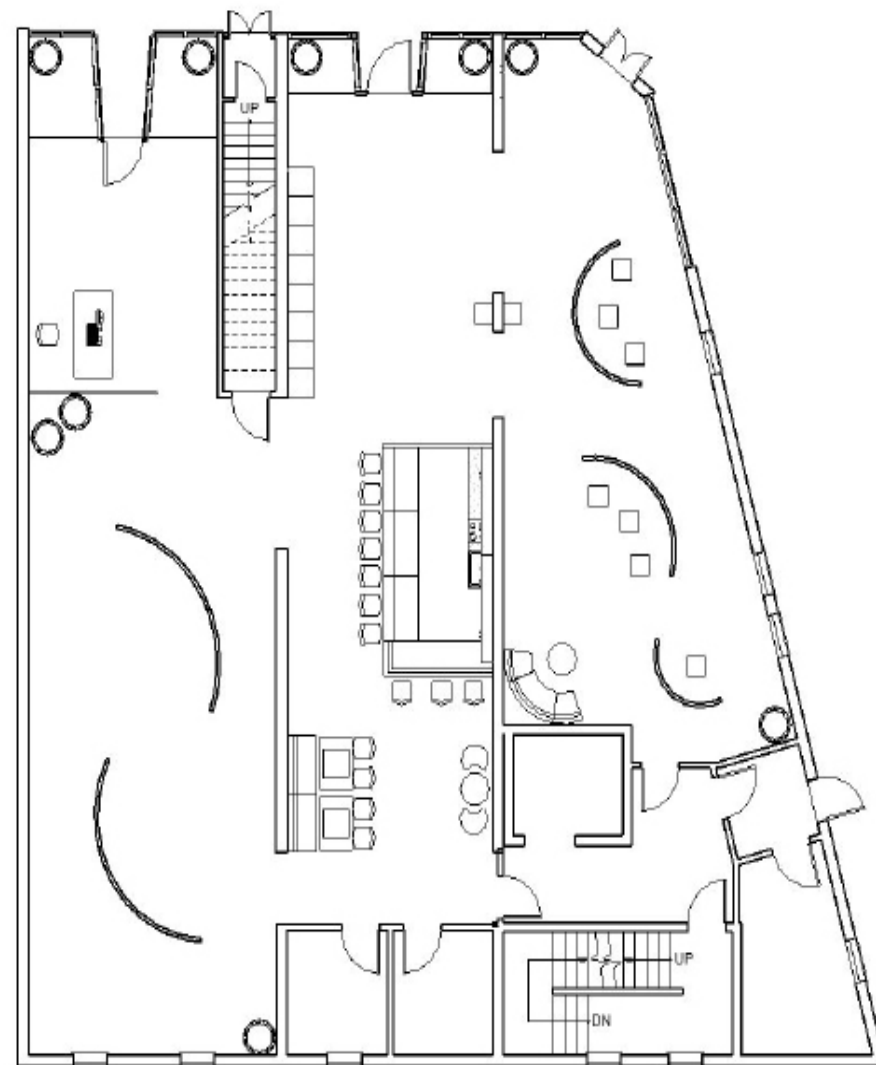

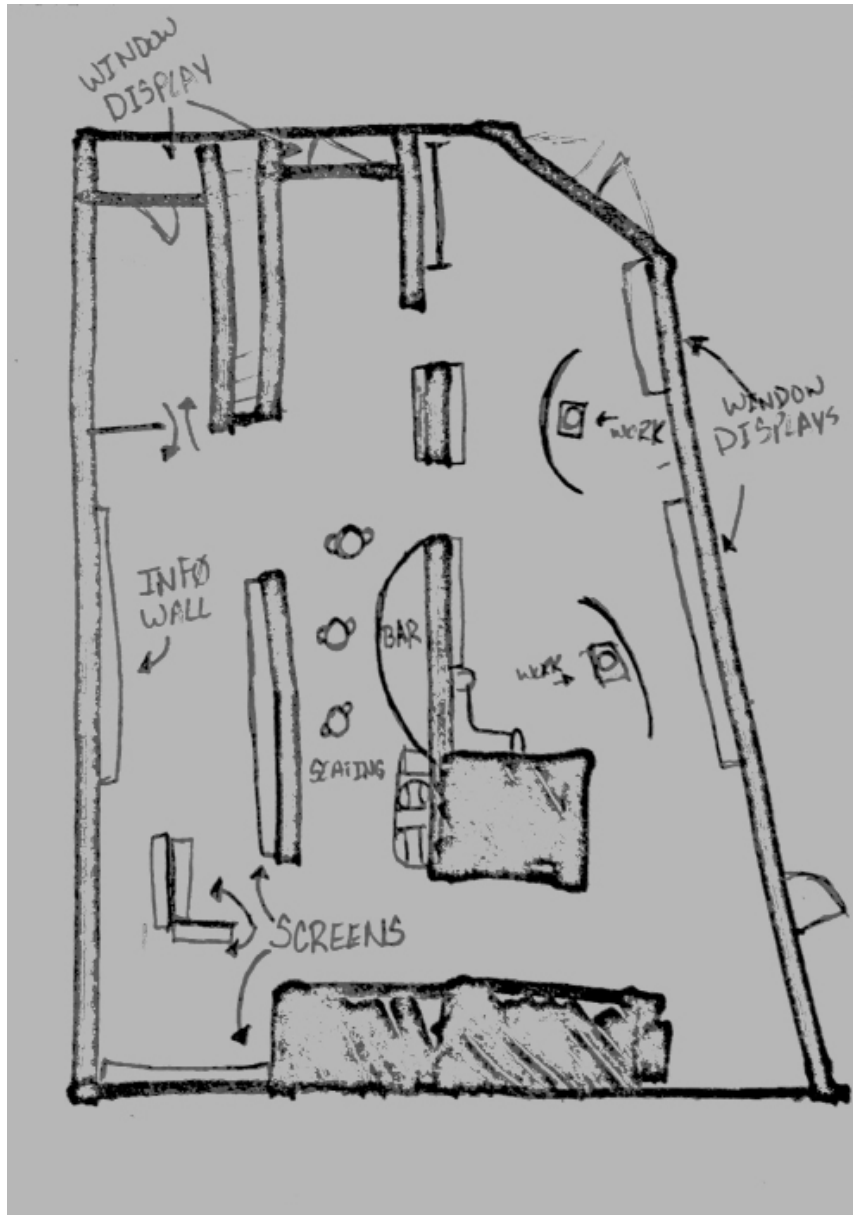

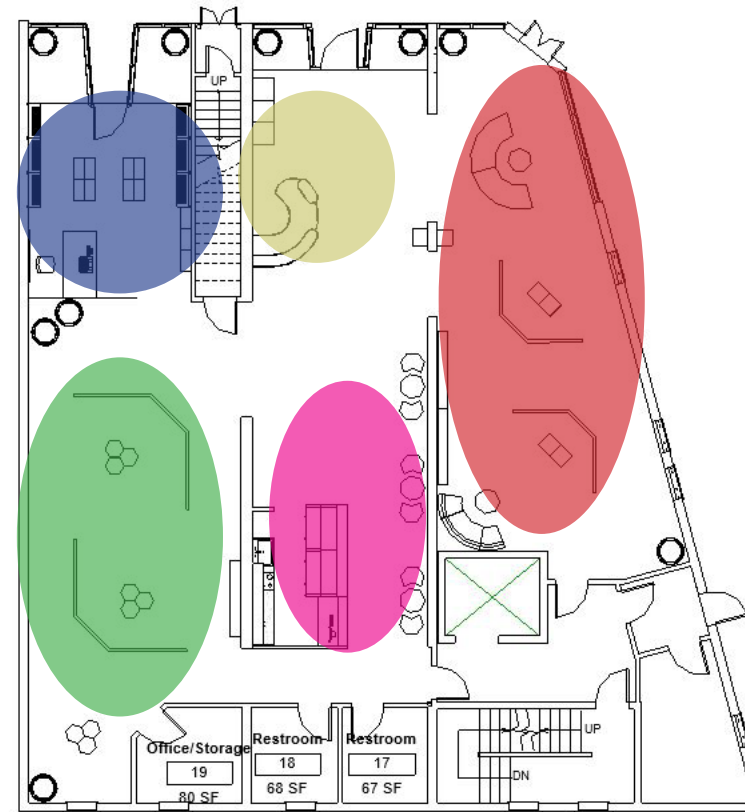

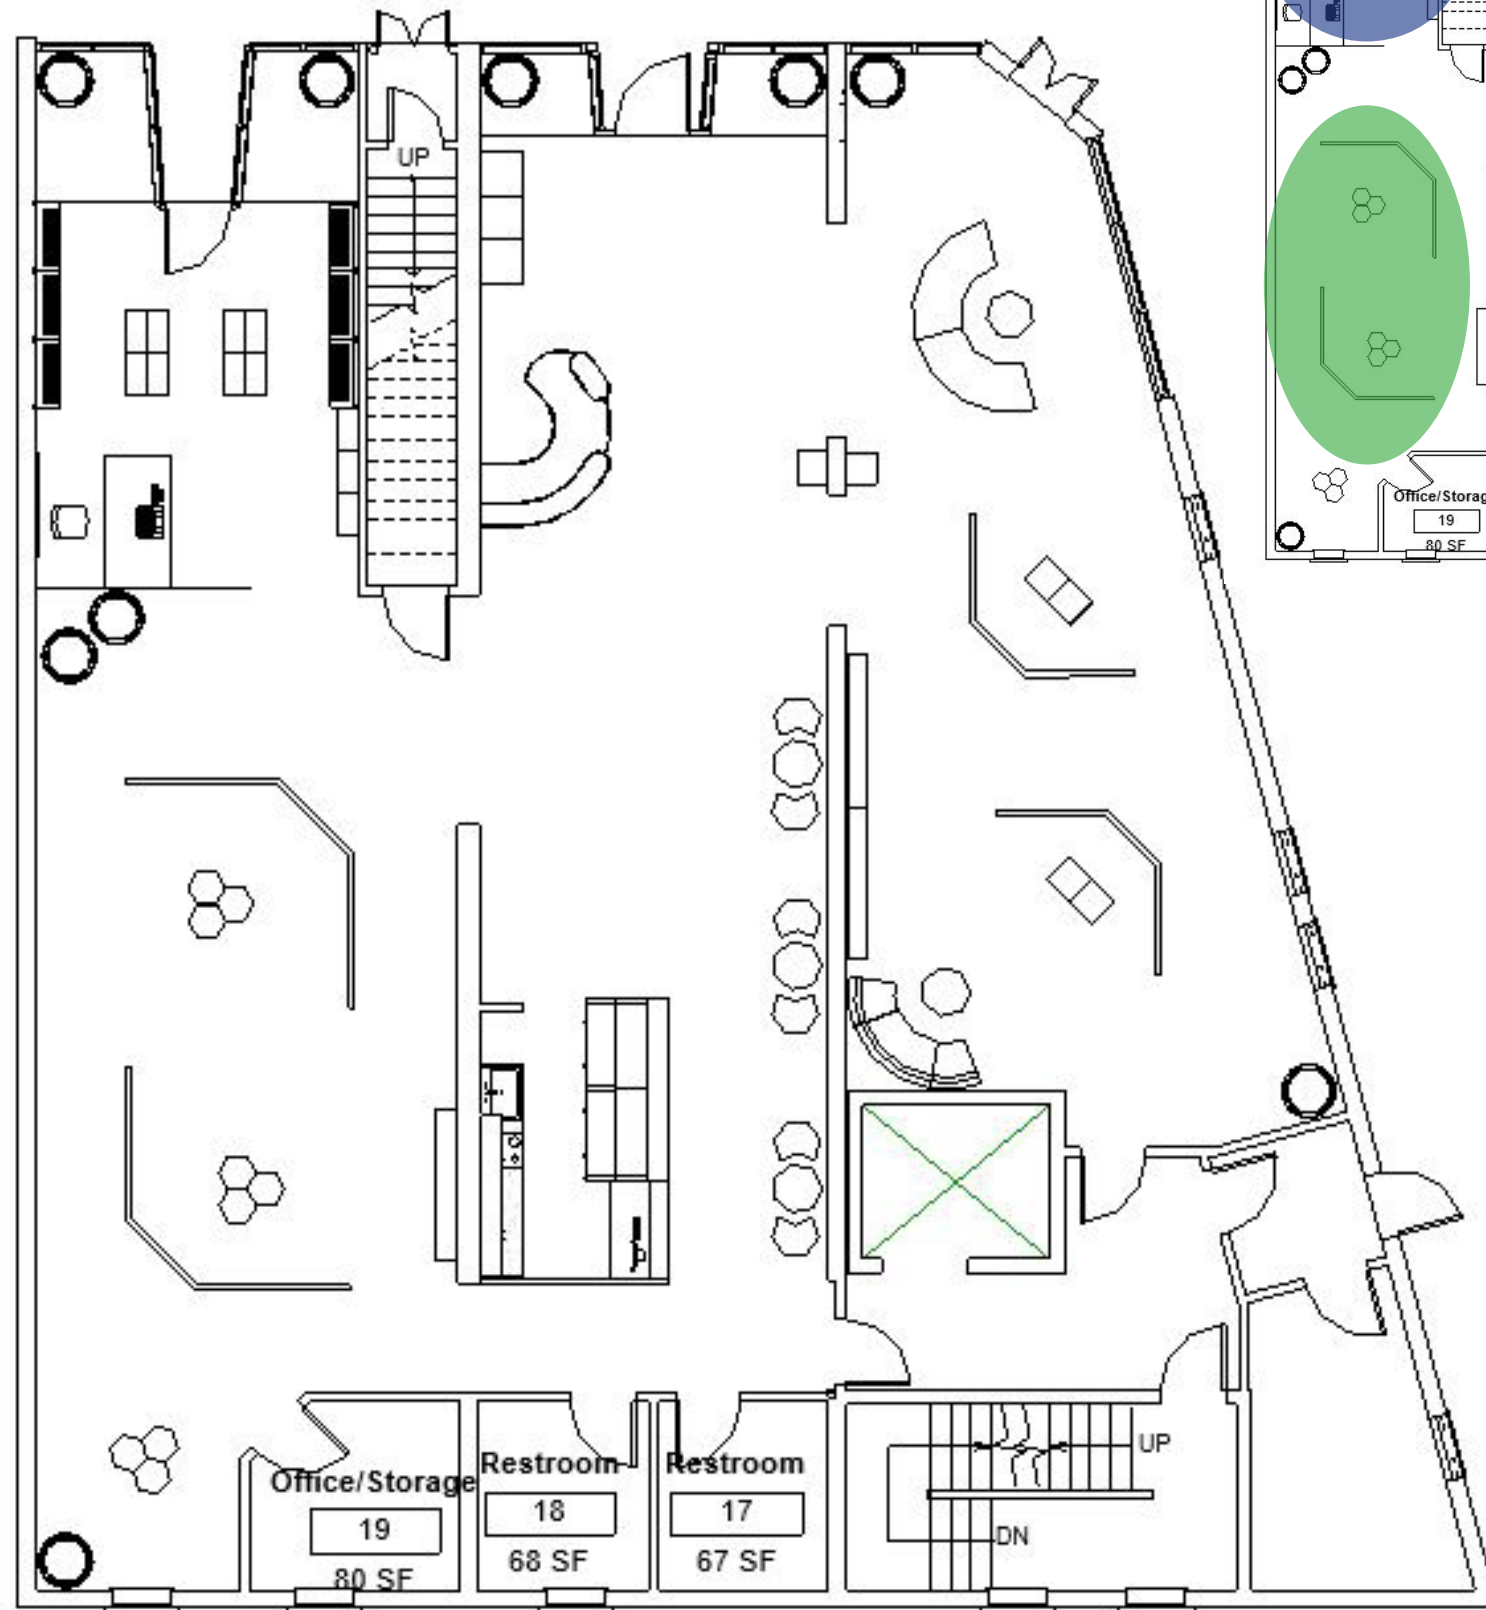

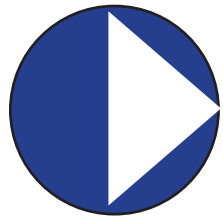

Corbett Inc.

FIRST FLOOR...

Dove Block will be cohesive in marrying Arthur Dove and Corbett. The first floor will be a community gallery with a tribute area for Arthur Dove, a bar and seating area for visitors along with a gift shop. On the second floor, which has direct entry from the street, will be an art store utilizing an open walk through style fitted with a work area along the windows. Second floor will include a theater space for movies and presentations able to seat about 20 people...

THIRD FLOOR...

...The third floor will house the Corbett experience center open to the public. There will be another bar-like area and a dedicated space for the continuation of the Arthur Dove tribute. Seating areas throughout the building will serve as Corbett promotion, showcasing their different lines in a way everyone can physically experience and not just look at. Inspiration for this project will come from the works of Arthur Dove; Modernism persuasion with large areas of color and simplistic details.
