

CALL FOR PROPOSALS

BOOTH HALL WALL

The College of Art and Design is accepting proposals for temporary art installations on the Booth Hall Wall.

The wall is located on the second floor of James Booth Hall near the front lobby. Though we are accepting all mediums it is important to consider that the wall is unprotected in a high traffic hallway. Some artforms may not be practical in this space.

There is no deadline for submissions. This is an ongoing exhibition platform and proposals will be reviewed on a rolling basis.

How to Submit:

Please send an email to Shane Durgee at scdpgd@rit.edu with the following:

- A cover letter from the artist or curator describing your interest in this space.
- A website or digital slideshow to view proposed work.
- A statement about the proposed work and its intended display.
- An artist statement or CV including relevant exhibitions (if applicable).
