✓ **Electronic Signatures - *ACTION ITEM***
If you haven't already created an electronic signature in Adobe, please do so. All forms will require one.

✓ **Forms - *ACTION ITEM* (please bookmark these links)**
Most of the forms that you would need to submit can be found on the Office of the Registrar website. CAD specific forms can be found on insideCAD.

✓ **Inside CAD - *ACTION ITEM* (please bookmark this link)**
CAD has an internal website that is a great resource for CAD faculty, staff, and students. The Graduate Student Information section has links to informational handouts, SIS help, elective course lists, thesis instructions, and different support services on campus. We've made it simple so you have it all on one link.

✓ **Personalized Advising Tools**
My Academic Requirements (also called Degree Audit)
• An online list (in SIS) of your degree requirements that tracks your progress.
• Student Home > Academic Records > My Academic Requirements > "Expand All" to see all sections.
Academic Planning Sheet
• A term-by-term breakdown of the degree requirements for your program (curriculum).
• Emailed to you when you start your program; your advisor can send you a pdf copy upon request.
